About Christmas for Kids:

Christmas for Kids is a non-profit organization that distributes Christmas gifts to low-income children in Moscow. This program is limited to children living in your home, under age 18 or senior in high school. It is intended for children who would receive very little or nothing on Christmas morning.

CFK is not a government agency and is staffed entirely by volunteers. All of the gifts you will receive are donated by caring people in our community. Some families will be sponsored by a business or organization and others will be put on tree tags located in area stores.
